Introduction:

India's G20 Presidency #39 was a significant milestone for the country and the international community. As the host nation, India played a pivotal role in driving discussions and coordinating efforts among the G20 member countries to address pressing global challenges. This report highlights some key activities and achievements during India's G20 Presidency. Under this Form DYPIMR organized group discussion on August 28th March , 2023, a thought-provoking group discussion was held in the corridor of our institute on the fascinating topic " **Sustainability of Today's Startup**" The participants exhibited high levels of energy, interest, and enthusiasm, making the session a resounding success. The students were divided into five groups - one group in support of the topic, the second against it, and the third neutral. The primary objective of the discussion was to cultivate essential skills such as confidence, effective

communication, leadership, and critical thinking among students and encourage them to think like entrepreneurs.

The discussion was highly engaging as each group member presented their views with conviction while attentively listening to others' ideas. The exchange of diverse perspectives and ideas made for a positive and enriching experience for all participants. This group discussion served as an excellent opportunity for students to express their opinions and hone their public speaking skills, ultimately building their self-confidence and bringing them into the mainstream. Overall, the event was a tremendous success, and the students left the computer lab with a renewed enthusiasm to pursue their entrepreneurial ambitions
