## Report on Education day

**Date of Activity:** 11<sup>th</sup> November 2022

**Mode of Conduct:** Physical (offline)

**Nature of Activity:** Mandatory

**Number of Participants :** 25

**Number of Students :** 15

**Objective of the Event:**

1. To enhance the awareness of the students about National Education Day and its purpose and significance.
2. To enhance the awareness of the students about National Education Policy 2020
3. To enhance the awareness of the students about National Innovation and Start Up Policy 2019.

**Outcome of the Program**

To enhance and improvise the quality of education for students in the country.

**Introduction :**

A session to commemorate National Education Day was organized in DYPIMR on 11.11.23 from 11:00 am onwards, to mark the birth anniversary of Maulana Abul Kalam Azad. The Innovation Ambassador, Dr. Shikha Dubey, enlightened the audience about the significance of National Education Day and its connection to Maulana Abul Kalam Azad, who was the first

education minister of independent India. She elaborated that National Education Day is observed every year on November 11 since 2008, to pay tribute to his contributions. Dr. Dubey also discussed the National Education Policy of India 2020 (NEP 2020) and the vision of the new education system of India, which aims to enhance the quality of education equally for all and strengthen India as a global superpower.

Furthermore, Dr. Dubey highlighted the importance of the National Initiative for Developing and Harnessing Innovations (NIDHI)'s Seed Support System and the National Innovation and Start-up Policy (NISIP) 2019, which focus on entrepreneurship development and student-driven innovations & start-ups. She informed the audience that in line with the same, DYPIMR has formulated its own start-up and innovation policy to foster a culture of innovation and entrepreneurship in the campus, and to leverage the potential of students' creative problem-solving and entrepreneurial mindset. She described the salient features of the policy and urged the students to utilize the facilities of the pre-incubation centre. The session was highly informative and met the expected learning outcomes.
