

Activity Name	Poster Presentation Competition
Activity Type	IIC
Topic Name	Lean Startup
Theme	Entrepreneurship and Innovation
Mode of Conduct	Offline
Day and Date	25 th April 2023
Competition Details	<p>The objective of the competition was to motivate students to come up with innovative ideation on lean Startup . Around 32 students from MBA department of our institute had participated in the event with full zeal towards the whole event. It was organized on 25th April 2023 .We had designed some rules for this competition like acceptable tools for drawing/painting include pencil, crayon, watercolor, oil paint, etc. Photographs, wires, other 3D objects, print-outs be also acceptable. The students expressed their views with the theme by drawing, writing slogans and quotes. One could see and feel the enthusiasm that the students had in their presentation. This activity kept the students engaged and it was organized to explore and encourage creativity in students and offer them a platform to showcase their skills and talent. It inspired them to think and work creatively in order to promote artistic excellence. All selected students participated earnestly in the competition. They came up with amazing creativity. Their efforts and initiative was appreciated by one and all. The final judgment was made by the external source, a faculty member. The rubrics for judgment were: Originality, Clarity of expression, Creativity, Uniqueness and Innovative business plan.</p>
Objective	<ul style="list-style-type: none">• To develop strong sense of self-confidence, Enthusiasm and abilities towards Entrepreneurship.• To jot down and sketch their Business ideas.
Feedback	Students responded well to this Competition. Maximum students participated from the MBA course. Students want that such competitions

should be organized in future also.
