**Name of Activity:** Panel Discussion –I on the topic Innovation, Human Values and Sustainability

**Beneficiaries :** Students and Faculty Members (MBA, MCA)

**Objective:** To develop Human Values and Sustainability I education system

**Session Detail:**

Scientific developments and innovations are happening at a very rapid pace. However, it is often observed that in this race for technology development, sustainability and human values take a back seat. Considering our long-term goal, human values and sustainability are very critical and should be an integral part of innovation. This panel deliberated upon this aspect and discussed different case studies and their own experiences in ensuring that human values and sustainability are integral to innovation.

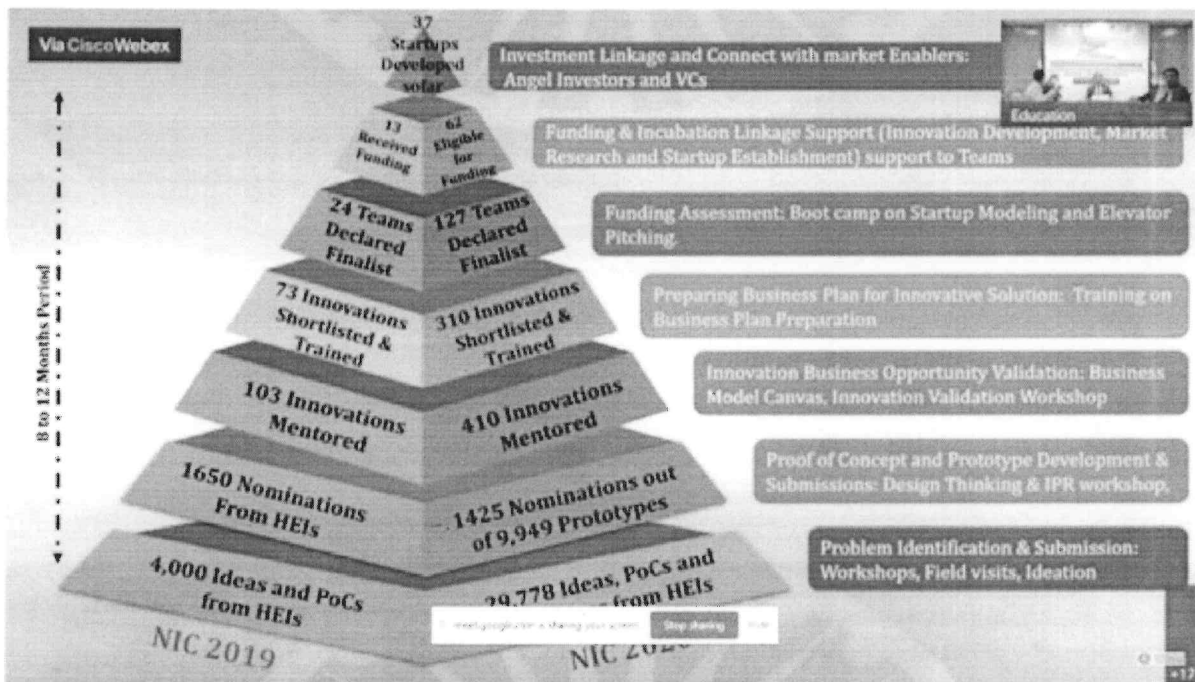

The duration of panel discussion is 60 Minutes (2.00 pm -3.00pm)

1. Shri.Harshit Rathore, Co-Founder & CTO, Naccarc Robotics
2. Shri.Vikash Mittersain, Founder & Managing Director, Nazara Technologies
3. Shri.ShrikantBadve, Managing Director, Badve Industries

Moderator: Prof. Anil D Sahasrabudhe, Chairman, AICTE

**Outcomes:**

- To understand Human Values.
- To Preserve human values.

Sridhar Vembu, founder of ZOHO Corporation and Shri. Gautam, Founder, FarEye Pvt. Ltd was invited to give the Keynote Address.

Keynote Speaker Shri. Gautam, Founder, FarEye Pvt. Ltd. & Shri. Sridhar Vembu, founder of ZOHO Corporation share their inputs on the following:

- To generate the idea is a key building block to any start-up. In this internet epoch, finding the ideas are difficult.
- Problem solving can be done by deploying the software through many emerging technology like cloud
- Business can be geographical independent
- Design thinking is very important and plan for market fit product
- To check the Cost of operation in India comparatively it is very less
- To take garb opportunity as Many investors avoid investing in China due to covid
- The Make in India initiative is congregation force
- Investors have lot of faith in the Indian market as
- You have started with minimum 3 then gradually increase by 10. Many angle investors are ready to launch 20K careers in different sectors.
- Incubators are most essentials parts for startup .to set up in Institutions helpful in research
- How to develop any raw prototype into a product commercialization
- Innovation of the developed product should be universally commercialized.

building innovation and entrepreneurial ecosystem  
in Education institutions“***

**Institution’s Innovation Council(IIC)**

**Dr. D. Y. Patil Institute of Management and Research,  
Pimpri, Pune 411018**

**Date of Activity** : 11<sup>th</sup> January 2022

**Theme of Activity** : MIC

**Name of Activity:** E-symposium held on building innovation and entrepreneurial ecosystem in Education institutions

**Beneficiaries :** Students and Faculty Members (MBA, MCA)

**Objective:** Building Innovation and entrepreneurial education system

**Session Detail :** Azadi Ka Amrit Mahotsav: Ministry of Education (MoE), AICTE, and Ministry of Commerce & Industry (DPIIT) have organised 'National Innovation Week' from January 10 to 16, 2022. During the innovation week, various initiatives undertaken by these agencies to spread awareness to promote innovation and entrepreneurship in India will be highlighted.

Under the Institution's Innovation Council, as an MIC-driven Activity for Quarter 2, the faculty and students of Dr. D.Y. Patil Institute of Management and Research Pimpri Pune, attended the online 'e Symposium on Building Innovation and Entrepreneurial Ecosystem in Educational Institutions', on January 11, 2022, as part of the 'National Innovation Week', Azadi Ka Amrit Mahotsav (AKAM) celebrations. The Venue of the Symposium was Dr. Ambedkar International Centre, New Delhi, and it was organized by the Ministry of Education, AICTE, and Ministry of Commerce and Industry (DPIIT), in collaboration with the Ministry of Culture, Government of India. The Innovation Week celebration was inaugurated by Minister of Commerce and Industry – Shri. Piyush Goyal, on January 10th, 2022.

An E-exhibition was opened, in which 75 innovation technologies participated. On January 11, the e-Symposium on 'Building Innovation and Entrepreneurial Ecosystem in Educational Institutions' was inaugurated by the Minister of State in the Ministries of Education and External Affairs – Dr. Rajkumar Ranjan Singh. He also launched a movie on Smart India Hackathon on this occasion.

The Welcome address was presented by Dr. Anil Sahstrabudhe, Chairman, AICTE Shri. He said the Innovation week will inspire young innovators to solve the problems faced by society through constructive ideas and address upcoming challenges. Proposed symposium highlights key aspects for building innovation system like investment, mentoring etc.

Mr. Sanjay Murthy, Secretary, Department of Higher Education said that in India currently we have 2500 Innovation Cell and an additional 5000 Cell will be added in the future. He informed that 50,000 teachers under the ambassador program are being trained which will bring huge transformation in education sector. This is a culture of innovation and these types of events motivate the youth to come forward and showcase new ideas and capabilities.

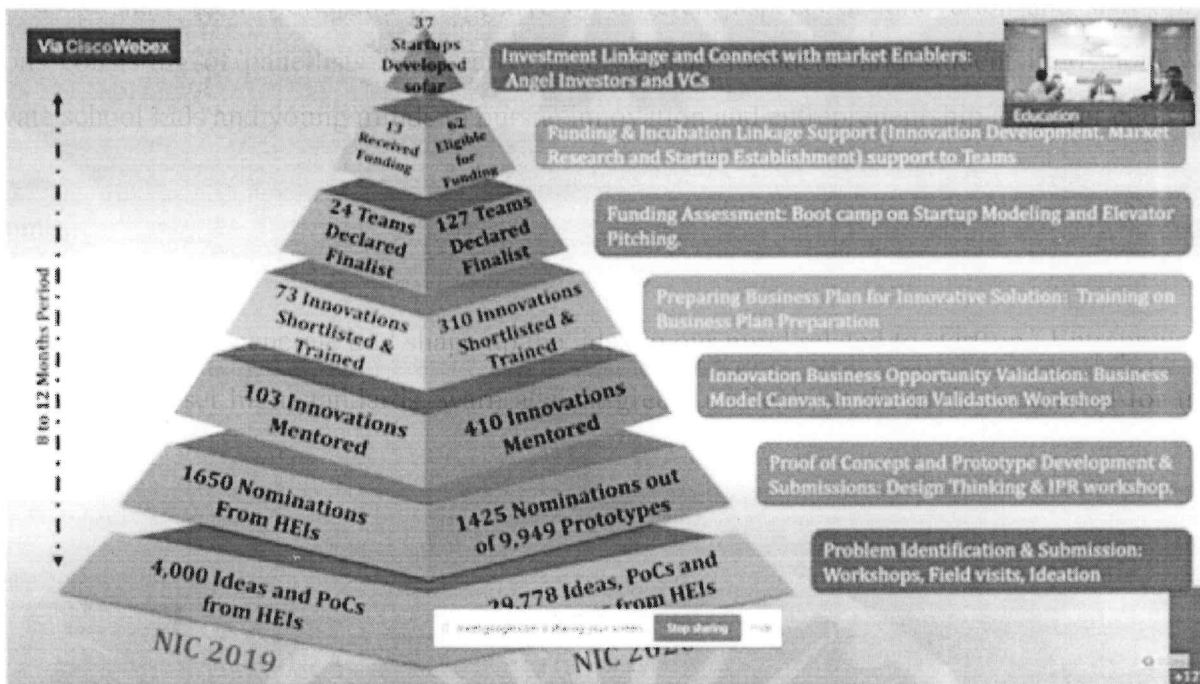

Anita Karwal, Secretary, Department of School Education & Literacy talked about how India's young minds in

such nation and character building events indicating the success of NEP2020's vision of equitable education. She highlighted the value of innovation and risk-taking skills among young children in order to make them future-ready.

Anurag Jain, Secretary, Department for Promotion of Industry and Internal Trade, Dr. Abhay Jere, Chief Innovation Officer, Innovation Cell, Ministry of Education was also present on the occasion. Eminent industry leaders, emerging unicorn founder, investors, and policy practitioners will join as key note speakers and panellists to share their views and perspective on different aspects of innovation and start-up. Special panel sessions consisting of panellists from early stage start-up founders, and student innovators will be held to motivate school kids and young minds to pursue innovation and entrepreneurship as career choice.

**Outcomes:**

- It help them to generate and shape up the idea in our mind related to start-up / Entrepreneur skill
- To go and set high standards, warn against greed, and exhibit the ethics you need for true and lasting success.
