Report on

**Tree Plantation Drive
Occasion of
World Environment Day
(10th June, 2023)**

Objective:

To Develop Eco friendly environment

To stop the collapse of biodiversity

Brief Report

On the occasion of World Environment Day, the students and faculty members of DYPIMR undertook a remarkable tree plantation drive on Quadron Hill. This initiative was designed to highlight the significance of tree planting in mitigating climate change, preserving biodiversity, and enhancing the aesthetic appeal of our surroundings. The event garnered enthusiastic participation from both students and faculty, demonstrating their unwavering commitment to environmental sustainability.

Leading the charge was Mr. Naresh Sonawane, a renowned advocate for environmental conservation. His extensive experience in organizing similar initiatives and managing tree plantation drives and environmental projects made him an invaluable collaborator with the organizing team of DYPIMR. Together, they developed a comprehensive plan for the tree plantation drive, ensuring meticulous attention to every aspect, including volunteer coordination and site preparation.

Mr. Sonawane's passion for environmental conservation infused the event with a sense of purpose and urgency. His expertise guided the team in selecting the appropriate tree species, determining the optimal planting locations, and executing the logistics of the drive. Under his guidance, the event was meticulously organized, fostering an environment where every participant could contribute effectively.

The tree plantation drive on Quadron Hill was a resounding success, leaving a lasting impact on the local ecosystem. The enthusiastic involvement of students and faculty members created a sense of unity and shared responsibility towards environmental preservation. By actively engaging in this event, DYPIMR demonstrated its dedication to sustainable practices and instilled a sense of environmental consciousness within its community.

The tree plantation drive not only contributed to the global efforts of combating climate change but also served as a platform to educate and inspire others about the importance of tree planting. It symbolized DYPIMR's commitment to creating a greener and healthier future for all.

Dr. Vishal Wadjkar, Dr. Jini Saxena, Ms. Manasi Bhangale, Mr. Sameer Prasad, Mr. Jeevan Ahire, Mrs. Kalyani Sahastrabuddhe, Mrs. Manjiri Patwari, Mr. Amit Dewale were present for the tree plantation.

Outcomes:

To encourages awareness and action for the protection of the environment

To Create awareness about pollution, Global warming etc
