**Venue: DYPIMR, MCA Computer lab Target Audience : MBA & MBA DM**

Sr. No.	Particulars	Details
1	Event Type	<b>National Technology Day</b>
2	Event Date	23 <sup>rd</sup> May 2023 – 26 May 2023
3	Objective	The objective of the WordPress website design and development workshop for MBA and MBA Digital Marketing students at DYPIMR is to equip them with the practical skills and knowledge necessary to create professional websites using WordPress.
4	Brief Summary of Event	National Technology Day is celebrated every year on May 23 <sup>rd</sup> , to mark Indian technological advancement. The day, May 23 <sup>rd</sup> , has been declared National Technology Day by the Indian Government in order to commemorate the history of India's technological capability and expertise. The day holds importance of its own, as on this particular day, India achieved a huge technological progression. To mark this day the DYPIMR organized the workshop on Word Press website design and development was conducted by IritzPro from May 23 to May 26, 2023. This intensive workshop spanned a duration of 10 hours, providing participants with a comprehensive understanding of creating and designing websites using WordPress. Through hands- on training and practical exercises, attendees gained the necessary skills and knowledge to

		<p>develop professional and visually appealing websites. The workshop focused on fostering creativity, enhancing technical proficiency, and equipping participants with the tools to effectively manage website projects. By the end of the workshop, participants were equipped with the skills to create and maintain websites using WordPress, empowering them to excel in the ever-expanding digital landscape.</p>
